

## Snow Trips 'On Target' Y Reports

Hundreds of Torrance and Lomita youngsters are spending weekends in the snow throughout this month and next, according to Arthur Sears, program director for the Torrance Family YMCA.

Sears reported that 120 Junior Hi-Y boys attended Camp Big Pines last weekend, and played in more than 11 inches of packed snow right in camp. Under the leadership of William Poser, Torrance YMCA Junior Hi-Y director.

The boys took part in a

"growing up" discussion around the huge fireplace. Devotions then reflected the opinions of the boys present. In addition to the serious programs, snow fun, hearty meals, and a roaring campfire kept them busy.

This weekend, a capacity group of 200 Gra-Y boys and dads from Torrance will attend Camp Round Meadow with Leonard Kane as director. Snow sports and ice-sliding are promised for the youths and adults attending.

The snow camps have become so popular that second sessions have been arranged for all ages in the next few weeks.

Sears stated that the local "Y" must rent its winter camp space by Aug. 1 every year. Attempting to guess snow conditions for the following winter is a trying ordeal.

"Fortunately, we hit the snow right on target this year," Sears said.

### Mrs. Louis Named

Mrs. Viola Louis, Torrance resident, has been named manager of the Crocker-Citizens National Bank Special Services Division, according to Nils Ramstedt, vice president in charge of the bank's Data Processing Center.

### A TRUE STATUS SYMBOL

We're proud to display this "Federal" emblem. It's a real status symbol for Savings and Loan Associations. The association which displays it has earned the right to call itself a "Federal" savings and loan. The distinguishing features are numerous: the added safety and protection of a Federal charter; the fact that earnings go first into reserves for account holders; management which is directly responsible to account holders and the federal government, rather than to private stockholders . . . to mention only a few. Status symbol? Definitely. A symbol of safety and responsibility in the community. Look for it when you come in to open your insured savings account.
